

March is Women's History Month with the 8th of March being the International Women's Day. St. Pat's Day is the 17th and SPRING BEGINS ON THE 20th!! So let's have some fun with the family.

MADLINE 2004 PG 89 MIN. TRI-STAR PRODUCTIONS

Madeline can do anything – and she does --- along with her 11 school mates and her teacher in a vine covered school in Paris. This is a great family film. 4+ Star

DEVINE SECRETS OF THE YA-YA SISTERHOOD 2002 PG13 116 MIN. TRI-STAR PRODUCTIONS

They were youngsters when they swore the Ya-Ya blood oath and they remained friends for life. When one of them was in trouble they decided it was time they did something about it. A stellar cast for an award winning film. 4+Star

FIRST WIVES CLUB 1996 PG 102 MIN. PARAMOUNT

Three women who have been dumped by their husbands band together, form the First Wives Club and GET EVEN for themselves and for others. 4+ Star

PRETTY WOMAN 2005 R 125 MIN. TOUCHSTONE

A MODERN “Cinderella Story” for the adults; that is a classic; with behind the scenes shots that Cinderella never had. 5 Star

JOURNEY TO THE CENTER OF THE EARTH 2007 PG 92 MIN. WALDEN PRODUCTIONS

Based on Jules Verne's book, this action packed film portrays an uncle, 12 year-old nephew and female guide on the hunt for nephew's father and the center of the Earth. The female guide lives up to the standards of all guides. 4 Star

MAD MONEY 2008 PG13 103 MIN. ANCHOR BAY PRODUCTIONS

Academy award stars present a modern day film of how a housewife helps her husband keep all he has worked for, for 30 years, and comes up with a brilliantly scathing idea that help her two friends, also. A mad cap excursion in beating the system that leaves you saying, “OH, yah!!!”. 5 star

THE ABYSS 1993 PG13 171 MIN. 20TH CENTURY-FOX

An underwater-action adventure, with an all star cast, portrays the life of oil well drillers operating off the first underwater rig that a woman has designed and her husband now has charge of. Twenty-five thousand feet below the ocean has a life of it's own especially with Navy Seals, hurricanes and s strange life force. 5 star.
