

# **SATURDAY, JAN. 12** **BRF WRITERS** **GROUP MEETING**

**10 a.m. to noon**

**Writing topic: January weather.**

**Education topic: How to pizzazz your dialogue.**

Everyone is welcome to join us. We're a fun group of people who like to talk about writing and other nonsense.

**Black River Falls** | **Public Library**

**Just starting out  
or professional  
writer – it doesn't  
matter**

**Don't be shy –  
come and share  
your love for  
writing**

**“Writing is a  
lonely job. Having  
someone who  
believes in you  
makes a lot of  
difference. They  
don't have to  
make speeches.  
Just believing is  
usually  
enough.” —  
Stephen King**
