MARCH 2020

STAFF PICKS

News

Hello and welcome to our newsletter! We will be sending out a monthly newsletter with library news and an events and programming calendar starting this month!

History Room

The History Room welcomes those interested in researching their family history and learning about the past and present history of Jackson County. Numerous indexes are available along family histories and newspapers (microfilm) dating back to the mid to late 1880's. The History Room is also your place to tap into Badgerlink and if you need assistance the historian is always willing to help your navigate Ancestry.com and FamilySearch.com. Calling ahead for an appointment is recommended.

Director's Report

My name is Cara Hart, and I am the new director for the Black River Falls Public Library. I spent the last 4 years at the Neillsville Public Library and am excited to join the Black River Falls library team.

This year we are planning unique events and programs and will be updating the website.

The annual report is complete. We saw over 25,000 website visits, almost 90,000 checkouts, and served 6,000 patrons in 2019.

Friends Group

Friends of the Library are busy planning for 2020! We are looking forward to the Antique Appraisal, which will take place at the library on April 18th. Cost is \$15.00 per item with a minimum of 40 items. Registration forms can be picked up and submitted from March 1 to April 9th.

EVENTS
