July will offer a 'Take and Make' patriotic flag activity, LEGO challenge, 'Make and Take' slime, A science program with Doc Scheckel, 'Take and Make' rockets, and, a 'Make and Take' positivity pebbles/kindness snake activity.

August has sidewalk art, Jackson County Fair, pencil holders and a teen craft. Of course, Storytime on FRIDAYS! A few surprises will be tossed out for everyone. We will finish off the summer reading program with ZooZort LIVE ANIMALS! Seven unique animals for the community to meet. See the reverse side of this newsletter for programming dates and times.

from *Mary Woods, Historian*

In reviewing my folder "Possible Programs", I noticed that I have a list of researchers who are interested in determining the history/age of their homes. In fact, it probably tops the list of email and phone call requests. With that in mind, I have contacted the Wisconsin Historical Society's Bureau of Speakers for their recommendation for a speaker. I am waiting to hear back and certainly will get the word out as soon as the program is scheduled.

Throughout the years the History Room has sponsored numerous programs with a wide range of speakers. If you have a program you would like to see held at the Library, please let me know. There are so many experts available and willing to share their knowledge. You may send me an email at m.woods@wrlsweb.org or give me a call at 715.284.4112, Ext. 3, or better yet, stop in at the History Room.
