For Immediate Release

2024 Photography Exhibit at the Black River Falls Public Library

All area photographers, professionals as well as amateurs, are invited to display their favorite photos during this year's *Photography Exhibit* at the Library.

Bring your exhibit photographs to the Black River Falls Public Library on Thursday or Friday, May 2 or 3, between 9 a.m. and 5 p.m. or on Saturday, May 4, between 9 a.m. and 1 p.m. Photographers may exhibit up to three photographs, which are framed or matted and ready to hang. A short entry form, available at the Library, must be completed and submitted with entries.

The *Photography Exhibit* will be on display beginning the afternoon of May 6 until May 29 during Library hours. People who view the exhibit are invited to fill out a *People's Choice* ballot. This is an exhibit only; there is no entry fee, no official judging, and no monetary prizes. On May 29, the *People's Choice* votes will be tallied, and the display will be taken down. Photos should be picked up from the Library on May 30 or 31.

Questions can be directed to Vicki Fisher at the Library at 715-284-4112, or Jim Hornby at 715-284-9655.
